EXPEDITED PROCEDURE

Sir:

PETITION UNDER 37 C.F.R. § 1.10

The subject application was submitted pursuant to the Express Mail Procedure of 37 CFR 1.10. The application was deposited with the United States Postal Service (USPS) in an Express Mail envelope with sufficient postage for Express Mailing on November 17, 2003 pursuant to 37 CFR 1.10, but the returned postcard (copy enclosed) indicates that the United States Patent and Trademark Office (USPTO) considered the filing date to be November 18, 2003.

Enclosed is a copy of the new application transmittal letter from our files. The new application transmittal letter contains a Certification of Express Mailing Date under 37 CFR 1.10 and proper reference to Express Mail Label Number EV301025157US as required by Section 1.10. This information is also contained in the files of the United States Patent and Trademark Office.

Avelyn Malonzo, the person mailing the papers pursuant to 37 CFR 1.10, has signed a verified statement that the new application was deposited with the USPS in an Express Mail envelope with sufficient postage for Express Mailing on November 17, 2003. The signed verified statement signed by Avelyn Malonzo is attached.

Also attached are copies of the Express Mail Label Number EV301025157US returned from the USPS and the receipt from the USPS Bicentennial Station which also indicates the Express Mail Label Number. It should be noted that the "sign in" clerk at the USPS indicated the "date in" to be November 17, 2003 on the Express Mail Label.

Applicant has complied with the requirements of 37 CFR 1.10 and is entitled to a filing date of November 17, 2003. Therefore, please update all of the records in the USPTO to indicate that the filing date of the above-identified application is November 17, 2003; and please advise us in writing that the USPTO considers

November 17, 2003

to be the filing date of the above-identified U.S. application. This correction is not due to any error by the Applicant; therefore, no official fee should be due. The Commissioner is authorized to charge any additional fees which may be required or credit overpayment to deposit account no. 12-0415.

Respectfully submitted,
